HOPE Appeal 2015

A Family Perspective

Today's gospel is a job description for Christian parents. For most people, the most influential shepherds in their lives are their PARENTS. Every parent is called to be a "good shepherd" to "freely lay down their life" for their children; to "love" and "know" their children; and to "lead" them so "they know your voice."

Country Pantry

Pantry needs this month are peanut butter, crackers, individual pudding cups and snack-size fruit cups.

We also accept monetary donations. Checks may be made payable to St. Mary's with Country Pantry marked on the memo line and placed in the collection basket. Please put cash in an envelope marked Country Pantry and also your name for tax purposes. With these monies we purchase food at reduced prices from the Food Bank of CNY, Syracuse. It also enables us to buy from local supermarket sales fresh fruits and vegetables. Along with food we purchase from the Food Bank, we are eligible to receive selected free USDA food items, often including meat. Thank you for all you do in assisting us in providing nourishing food for our friends and neighbors.

Questions Catholics Ask

Teaching and Evangelization

Jesus' appearance in the gospel story combines both teaching - "he opened their minds to understand the scriptures" - and mission: repentance and forgiveness through Christ. Teaching, or "**catechesis**," and mission, or "**evangelization**," are distinct but related tasks in the church.

Catechesis is basically religious education. Rooted in the Greek work for "echo," it involves learning the "faith facts" that enable us to speak meaningfully about what we believe. But catechesis is not only about transferring information from one generation of the church to the next. We need to echo the faith of our mothers and fathers in a spirit that is awakened, nourished, and developed. Catechesis is a lifelong process that seeks to deepen the echo of faith so that it reverberates through every corridor of our lives, relationships, and decision-making.

Catechesis, though, can't go anywhere without the work of *evangelization*. This word also has Greek origins and means "proclaiming good news." We can think of evangelization as creating the spark that ignites the fire and catechesis as the work of tending the flame once it's established. When they work hand in hand, evangelization and catechesis can make saints out of us, bringing us to faith and then to holiness.
