

## Everything you need to know if you would like to have your child Baptized at St. Mary's

*"All power in heaven and on earth has been given to me. Go, therefore and make disciples of all nations baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold I am with you always, until the end of the age."  
(Matthew 28: 19-20)*

- Parents call rectory 853-2935, and requests that their child be baptized.
- In a conversation with the Pastor, the parents provide their names, the child's name, address phone number and discuss the possible date for this rite.
- When the date is confirmed, the pastor will contact the team leader, members of the team and/or parish associate with all the baptismal information.
- Team Member calls family to set a date when team member(s) can visit the family home.
- Parish Associate sets up meeting date for instruction on the sacrament, with the parents.
- When all of the above is completed, the pastor is notified that the process is complete.
- The team leader gives all relevant information to the parish secretary so that the weekend after the Baptism, this event will be published in the bulletin.
- The parent team will follow through with the family, by attending the Baptism (if at all possible). They will also be responsible to send or deliver at the appropriate times, the packet of continuing education the parish has decided to follow up with the families for the next four years.
